

Treasures of Islamic Civilization

Presented by the British Columbia Muslim Association
& the Burnaby Branch

Speaker: Dr. Redouane Fakir, MISC Institute
(Muhammad Institute for the Sciences of the Cosmos)

Where: Masjid As Salaam & Education Centre
5060 Canada Way, Burnaby, BC

When: Saturday, December 17th, 2011

Time: 6:30pm

The Muhammad Institute for the Sciences of the Cosmos (MISC) launches a new season of high level programming to educate our youth, our community and our society at large about the great contributions of the Islamic Civilization to today's sciences, arts and humanities. The goal is to raise a new generation of Islamic youth that is well educated in its rich civilizational heritage and proud to share it with the rest of our society.

Dinner will be provided
